

Illustrator Midterm

Design 1

Fall 2010

1. Make a multipage document in Illustrator, Letter Size, 4 pages. This should give you enough space to complete the test.
2. Save file as "first initial_lastname_Design1Midterm"
3. Name each of the six Design Elements.
4. What is Value?
5. What is a complimentary color?
6. Create an example of an Analogous color harmony.
7. Define Line. Paste an example from the Internet of an image that shows the use of "line". This file must be a photograph, not a drawing of a line.
8. Define Pattern. Paste an example from the Internet of an image that shows the use of "pattern". This file must be a photograph, not a drawing of a pattern.
9. What does Monochromatic mean? Grab an image on the Internet of an image that shows the use of "monochromatic". Must be a photo or a collage.
10. Insert a grayscale image of any subject matter, into your Artboard and recreate the image using a grid of 10x10 squares.
11. Using Construction Angles of 30 degrees, construct a box like the one pictured, then re-create this structure.

12. What is the keyboard shortcut for:
 - a. Rulers
 - b. Show/Hide Guides

- c. New File
 - d. Print
 - e. Save for Web and Devices
 - f. Save As
 - g. Paste
